## NATURAL CIDERS HANDCRAFTED ONSITE

All ciders are 7% ABV

**Original Rhythm Cider** 100% locally-sourced apples. The original, flagship cider, not too dry, not too sweet! \$8

**Rhythm Dry-Hopped Cider** We took our flagship Rhythm Cider, and aged it with Amarillo Hops. This is our beer-lovers, IPA-style cider. \$9

**Rhythm Honey Cider** A fun, sweet, mead-style cider. Fermented with honey then back sweetened for a burst of flavor. \$9

**ICE OUT** Apple juice is purposefully frozen solid, then slowly allowed to thaw, getting the "ice out" and concentrating the flavors. Bone dry and full of flavor. \$9

**Rhythm Blueberry Cider** Locally sourced blueberries, co-fermented with apples to bring a natural mild sweetness and hint of berry flavor to the cider. \$9

**Rhythm Blood Orange Cider** The driest on the list! Blood oranges are co-fermented with apples for a blast of apples and citrus in your mouth. \$9
